Details of the pre-application advice received

We were assigned a case officer but have received very little feedback. The only consultee response received was from the Council's Conservation Officer. The application proposals pursuant to this application for planning permission and listed building consent have been amended to respond to the comments from the Conservation Officer, including an updated Heritage Impact Assessment.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

* 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** 'agricultural holding' has the meaning given by reference to the definition of 'agricultural tenant' in section 65(8) of the Act.
